Appendix 4

Confidentiality Agreement

I undertake to maintain as confidential all information which I may acquire or become acquainted with as a result of, or arising in the course of, this audit.

I undertake not to divulge such information without express permission in writing from the auditee's representative, (insert name).

There are no matters, of which I am aware, which could in general prejudice my integrity and impartiality in undertaking this audit. If a specific matter should arise in a particular case, I undertake to declare it.

I declare that I am subject to no obligations which conflict with the above confidentiality undertaking.
